Message from our President

Halfway through the year, 2026 has proven to be full of community engagement!

Framing Ferdinand's first fundraising event was a huge success with lively entertainment from Howl at the Moon. All funds raised from the sold out event will be reinvested in our community through Framing Ferdinand's growth and beautification efforts. We heard you loud and clear – it was a blast, and it will be back! **Mark your calendar for February 13, 2027, for another howling good time.**

Be sure to follow Framing Ferdinand on Facebook and on our website to stay up to date on events and projects to come. Physical enhancements and additional community activities are on the horizon! Thank you to all who continue to support Framing Ferdinand's mission to engage, promote, and grow Ferdinand for the betterment of the community.

Warm Regards,

Lauren Mundy
